March 22, 1962

Dear Dr. Livingston:

We very much appreciate your thoughtfulness in arranging for a planned visit by former AEC Chairman John A. McCone - now Director of CIA - who had very much hoped to visit your laboratory on Wednesday, March 21st. Unfortunately, his departure was delayed for various reasons, thus precluding the planned visit.

Mr. McCone has asked me to express his appreciation for your thoughtfulness in making arrangements and to tell you he hopes to visit you on another occasion.

Chairman Seaborg has asked me to convey to you his very best wishes.

Sincerely,

Howard C. Brown, Jr.
Executive Assistant
to the Chairman

Dr. M. Stanley Livingston, Director
Cambridge Electronic Accelerator
Harvard University
42 Oxford Street
Cambridge, Massachusetts

Dear Glenn:

Thank you for sending me a copy of your Annual Report to Congress. I have not had an opportunity to read it as yet, but I shall do so at the earliest opportunity as your program continues to be of very great interest to me.

I still continue to hope that our respective schedules will permit a visit with you and your fellow Commissioners in the not too distant future. Now that General Carter is here as my Deputy and other organizational changes have been or will soon be made, I optimistically hope that the pressure of my work will be relieved somewhat.

Warm personal regards,

Sincerely,

(Signed) JOHN A. McCONE
John A. McCone

The Honorable Glenn T. Seaborg
Chairman
Atomic Energy Commission
Washington 25, D. C.
